

LOWERS & ASSOCIATES

Last Mile Courier Risk Management

Last mile deliveries are a critical and sensitive aspect of the supply chain. Success depends on your ability to manage all aspects of security, operations, and staffing.

Lowers & Associates' third-party survey program for last mile couriers offers in-depth industry experience as well as added credibility through unbiased reviews of critical issues that impact compliance, security, and safety. The Lowers & Associates Last Mile program consists of compliance surveys and controls reviews of headquarter facilities, terminals, and surveillance of route activities.

Survey Areas

Personnel Security

- Security standards documentation
- Employment screening
- Training and operations
- Control and issue of ID cards and uniforms
